What are your main interests/reasons for joining this network?

What do you feel you could contribute to the aims and objectives of this network? If you want further information then please ask or email the contacts below.

What would you anticipate (events, information, support for instance) from the network convenors/organisers?

To your knowledge, are there any widening participation approaches which support specifically those with existing mental health diagnosis/'problems'?

Yes / No

If yes, can you briefly describe these please?

This network is planning a series of events as follows:

Seminar hosted by the University of Wolverhampton and is set for October 12th 5pm – 7pm. Exploring the conceptual model WARM uses to engage 'hard-to-reach' groups. This seminar will be giving a background to the theory and philosophy underpinning the practice.

Is this something you would be interested in?

Yes / No

Events in Scotland (University of Glasgow) and Ireland (University of Ulster) are also being planned – we will update as and when.

We are planning an inaugural conference for **October the 10th, 2018** – the content of the conference will broadly centre around *A Capabilities Approach to Widening Participation to the 'hard-to-reach': A new era for engagement opportunities in community outreach?*

Do you feel this is a theme that would interest you?

Yes / No

Please return completed registration form to one of the network convenors to:
