Education**

2–4 July 2014

University of Salford

Forum for Access
and Continuing Education

Key Themes for the Conference

Theme A: Building and sustaining effective partnerships between universities, schools, colleges and other community partners to widen access to Higher Education opportunities.

Theme B: Hearing and understanding the student voice: students' experience, co-curricular opportunities enabling students to develop skills, form valuable networks, gain new experiences and grow personally and professionally.

Theme C: Creating and maintaining partnerships with employers to enhance and grow work opportunities and promote the talent and capacity of HE students.

Theme D: Evidencing the value of WP activities and strategies across the student life cycle.

A Professional Mission

FACE aims to facilitate - through avenues such as conferences, seminars, workshops and publications - the exchange and dissemination of information and practice to encourage continuing education and lifelong learning between practitioners and providers. FACE offers both institutional and individual membership and this provides access to monthly e-Bulletins, occasional papers and reports; access to thematic groups and access to other national and international members plus special rates at all events including the Annual Conference.

About Salford

Salford is an ambitious university, with our 20,000 students contributing enormously to the local economy and our expertise transforming individuals and communities through excellent teaching, research, innovation and engagement.

We are leading in areas, including health, energy, media and the built environment and have completed impressive work with business and industry partners.

Location

The University of Salford is situated just a mile and a half (three kilometres) from Manchester city centre – so close you can walk. We are also just 1.6 miles from MediaCityUK. There are excellent transport links, with Salford Crescent railway station on campus and regular bus services. Trains from Manchester International Airport run hourly and take 30 minutes to campus. The airport can also be reached by car within 20 minutes.
