with Professor Neal Ascherson**

NEWBATTLE ABBEY COLLEGE**

'Newbattle Conversations' is a 5 year programme promoting academic debate and public discourse on Scotland's history and its current political awakening. The programme will feature annual lectures on topics relevant to the post-Referendum political situation. This will culminate in a major academic, international conference in spring 2020 to celebrate the **700th Anniversary of the Declaration of Arbroath**. Newbattle Abbey College is a fitting venue for this event as The Declaration of Arbroath was drafted at Newbattle in 1320.
