

ProPEL 2017

3rd International conference

14 - 16 June 2017
Linköping, Sweden

The conference is hosted by Linköping University, Sweden, and organised in collaboration with the University of Technology Sydney, Australia. Both institutions are members of the ProPEL International Research Network, based at the School of Education, University of Stirling.

The ProPEL Network promotes leading edge research and knowledge exchange in issues of professional and vocational learning, practice and education.

Keynote speakers:

Monika Nerland, University of Oslo
Davide Nicolini, Warwick Business School
Tara Fenwick, University of Stirling
